DECISION AND ORDER
06-CV-6083T

Plaintiff has moved to have counsel appointed to represent him in this civil matter (Docket No. 4). For the reasons stated below, the motion is denied without prejudice to renewal at a later time.

There is insufficient information before the Court at this time to make the necessary assessment of plaintiff's claims because the defendants have not yet answered the complaint. Therefore, plaintiff's motion for appointment of counsel is denied without prejudice at this time.

IT IS SO ORDERED.

DAVID G. LARIMER
United States District Judge
